**THE RENEWED PREMISES LICENCE AGREEMENT**

Reference is made to the announcement dated 4 July 2024 regarding the Existing Premise Licence Agreement. **LISTING RULES IMPLICATIONS**

Futong Group International was wholly owned by Mr. Wang, our Controlling Shareholder. Therefore, Futong Group International is a connected person of our Group. Since the highest applicable percentage ratio (other than the profits ratio) as defined in the Listing Rules as determined by reference to the Annual Caps in respect of the transactions contemplated under the Renewed Premises Licence Agreement, on an annual basis, exceeds 5% but less than 25% and the aggregate rent is less than HK\$10,000,000, the transactions contemplated under the Renewed Premises Licence Agreement constitute continuing connected transactions for the Group and the Group is required to comply with announcement, reporting and annual review requirements but exempt from independent shareholders’ approval requirement under Chapter 14A of the Listing Rules.

## **(B) EFFECT OF HKFRS 16 “LEASE”, HISTORICAL TRANSACTION AMOUNTS AND THE ANNUAL CAPS**

Since the Licence Period does not exceed one year, the Company will not recognize any right-of-use asset under HKFRS 16. The Licence Fee payments to be made by Transtech to Futong Group International under the Renewed Premises Licence Agreement are recognised as expenses whenever it is incurred

The following table sets out the historical expenditures in relation to the Licence Fee payments made by Transtech to Futong Group International for the five years

ended 31 December 2024 and the Annual Caps for the transactions under the Renewed Premises Licence Agreement to be recognised in the consolidated financial statements of the Group during the Licence Period.

	Actual amount for the year ended 31 December (HK\$ million)					Actual amount for the six months ending 30 June (HK\$ million) 2025 (Jan-Jun) (unaudited)	Annual cap for the year ending 31 December (HK\$ million) 2025 (Jul-Dec) (forecast)      2026 (Jan-Jun) (forecast)	
	2020 (audited)	2021 (audited)	2022 (audited)	2023 (audited)	2024 (audited)			
Licence Fee	11.9*	11.9*	10.8	9.9	8.4	3.9	3.9	3.9

\* *Futong Group International Limited waived licence fee from January to March in 2020 and October to December in 2021 to relieve the impact of COVID-19*

The Annual Caps for the transactions under the Renewed Premises Licence Agreement were determined by reference to: (i) the existing licence agreement entered into between Transtech and Futong Group International under the Existing Premises Licence Agreement; (ii) the expected renewals of certain existing licence agreement under the Existing Premises Licence Agreement during the Licence Period; (iii) the estimated Licence Fee adjustments to be made to the renewed licence agreement; (iv) the applicability of HKFRS 16 “Lease” for renewed licence agreement; and (v) a buffer for any unanticipated fluctuations of market licence fee and any unexpected fees and charges incidental to the transactions contemplated under the Renewed Premises Licence Agreement in the Licence Period. The terms and conditions on which the Premises to be provided by Futong Group International should be no less favourable to the Group than those offered by independent third parties.

### **(C) MARKET PRICE FIXING PRINCIPLE**

The price charged by Futong Group International Limited shall be fair and reasonable and shall be based on normal commercial terms and on an arm’s length basis, having regards to the quality and conditions of the Premises. Under no circumstances shall Futong Group International Limited expect or receive from Transtech conditions that are more favourable than those available to independent third parties for the Licence Fee of same/similar premises.

The Group generally adopts a market pricing model which takes into account a range of factors such as the supply of offers, the quality of the building and the

location of the premises. Pursuant to Licence Agreement, Transtech occupies around 15,050 square meters area (around 161,997 square feet) in the Premises. The Licence Fee is set at the rental rates of HK\$ 4.01 per sq. ft. per month during the Licence Period with reference to the rates of similar property in the local market.

**(D) REASONS FOR AND BENEFITS OF THE ENTERING INTO THE RENEWED PREMISES LICENCE AGREEMENT**

The principal business activity of Futong Group International is engaged in letting property in Hong Kong while the core business of Transtech is the manufacturing and sale of optical fibre in Hong Kong.

It would not be commercially viable for Transtech to acquire the Premises from the Futong Group International as the relatively substantial cost would have adverse effect on the financial performance of our Group. The relocation of the production lines of Transtech will attract substantial costs and cause disruption in production. As such, our Group and Futong Group International entered into a licence agreement of a one-year term to ensure our Group's continuous access to our operational facilities in Hong Kong. Our Directors consider that terms of the Renewed Premises Licence Agreement (including the right of Transtech to terminate the Renewed Premises Licence Agreement unilaterally) are on normal commercial terms or better and that Futong Group International not honoring its obligations under the Renewed Premises Licence Agreement will be remote.

**(E) LISTING RULES IMPLICATIONS**

Futong Group International was owned by Mr. Wang, our Controlling Shareholder. Therefore, Futong Group International is a connected person of our Group. Since the highest applicable percentage ratio (other than the profits ratio) as defined in the Listing Rules as determined by reference to the Annual Caps in respect of the transactions contemplated under the Renewed Premises Licence Agreement, on an annual basis, exceeds 5% but less than 25% and the aggregate rent is less than HK\$10,000,000, the transactions contemplated under the Renewed Premises Licence Agreement constitute continuing connected transactions for the Group and the Group is required to comply with announcement, reporting and annual review requirements but exempt from independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

**(F) BOARD’S APPROVAL**

The Board has approved the Renewed Premises Licence Agreement. Pursuant to the relevant laws and regulations, the Listing Rules and the requirements of the Articles of association of the Company, Ms. Sheng Lingfei (“Ms. Sheng”) still holds other positions in Futong China which are also business entities owned by the controlling shareholder of our Group; therefore, Ms. Sheng will absent from the Board meeting of the Company while the relevant resolution was being discussed and abstained from voting on the Board resolution on proposing the Renewed Premises Licence Agreement. The Directors confirmed that, save for Ms. Sheng, none of them have a material interest in the Renewed Premises Licence Agreement.
